Subject: St. John West Shore Hospital Leadership

Date: December 5, 2006

We are pleased to announce that Cliff J. Coker has been formally appointed Interim President of St. John West Shore Hospital. Cliff was named to the interim role in September and is expected to serve in this capacity throughout 2007.

Cliff brings a wealth of experience to his new position. Cliff maintains a strong commitment to the highest standards of quality and patient care excellence, and looks forward to working with the entire SJWS hospital family to fulfill its Catholic mission.

Prior to his arrival at St. John West Shore Hospital, Cliff served as Senior Vice President for Community Hospitals at University Hospitals. He joined University Hospitals in 1989 as the Vice President of Integrated Services. Since that time, he has held leadership positions of increasing responsibility, most recently serving as Senior Vice President of the health system with oversight of the development, administration, financial, and operational management of our community hospitals and ambulatory health centers.

Please join us in congratulating Cliff and wishing him much success in his new leadership role.
